NATIVE ALCOHOL COUNCIL
NOVEMBER 6, 1980

The Native Alcohol Council (NAC) is a rehabilitation program established in 1968 by the Association of Metis and Non-Status Indians of Saskatchewan (AMNSIS) to assist our people when seeking treatment for alcoholism and drug abuse.

BLOCK FUNDING:

NAC is funded by the Saskatchewan Alcoholism Commission, the \$440,780.00 received effective April 1, 1980 is financially operating the Prince Albert, Saskatoon, and Regina NAC Social Adjustment Centres.

The funding is a step forward for NAC, ridding many of the hassles with the Department of Social Services.

PROGRAMS:

- (1) Prince Albert Out-Patient Service Centre: The Prince Albert Service Centre is a valuable and desirable program offered by NAC to assist the people with follow-up and continuing care services when being released from in-patient treatment centres. Objectives of the programs are to assist the client to re-adjust his or her life of sobriety. Objectives such as helping clients in areas of finding adequate housing, legal aid pertaining to their problems, individual counselling, couple counselling, assisting the non-alcoholic spouse, employment - if unskilled, refer them to training centres and to act as an informational centre. For more information contact: Steve Munroe or John Kinch
Room 106, 1320 Central Avenue
Prince Albert, Saskatchewan S6V-6V5
Phone: 922-7065
- (2) Regina Crisis Intervention and Drop-In Centre: Regina's native population is constantly on the increase, this in turn increases the need for a crisis intervention, referral and informational service centre for native families before permanent alcoholism and drug abuse damage takes its toll. Two trained staff will be on call 24 hours a day to provide expertise counselling to the clients when a crisis situation arises, their services will be available to other agencies to assist them in giving meaningful direction. For more information contact: Stu Herman or Doug Sinclair
Room 205, 2505 - 11th Avenue
Regina, Saskatchewan S4P-0K6
Phone: 522-7601

- 12:00 Noon - 1:00 P.M. LUNCH

(3) Community Support Prospects: The Community Support projects are geared to developing and training 10 native people to work and assist the native communities to overcome their dependencies on alcohol and drugs. This long range training will help develop skills to meet the following overall plan to combat native alcoholism and drug abuse. The training will include training in:

- A. Communication
- B. Education
- C. Community Improvement
- D. Detection and Referral
- E. Follow-Up Services
- F. Start and maintain a crisis centre for all areas

AMNSIS areas who want to take advantage of this type of project can do so with the full co-operation of the Native Alcohol Council. Example: East Region II - Alvin Campeau's area and Southeast Area - Nap Lafontaine's area.

(4) Native Alcohol Commission: The Association of Metis and Non-Status Indians of Saskatchewan's Native Alcohol Commission was founded in 1979 to deal with native alcoholism at the local level, ridding our people of the bureaucracy of dealing with federal and provincial governments. The AMNSIS Board of Directors appointed the following members to the NAC Board:

- Alvin Campeau
- James Favel
- Arnold Gervais
- Maxime Lucier
- Bertha Ouellette
- Fred Schoenthal
- Jim Sinclair
- Ernest Umpherville

NAC is pleased that the AMNSIS Board of Directors is showing genuine concern towards alcoholism as it relates to native people.

The Native Alcohol Council treated approximately 432 patients in the 1979 - 80 fiscal year. Many of these patients were referred to the centres by social workers, court workers, police, doctors, family workers, and our own experienced fieldworkers.

NAC knows that this is only a mere fraction of our people who seriously need help, but many tend not to seek it. We only hope that patients who have been rehabilitated can set examples in their communities.

In conclusion, NAC is proving to our people that --

NATIVE HUMAN RESOURCE DEVELOPMENT

*Formerly known as Training-On-the-Job Program

PURPOSE:

- to develop more effective training and employment strategies for Native people. The program will be responsible to ensure that the design of Native training and employment programs will support the socio-economic needs and objectives of Native peoples. The direction of the program will initially be planned by a Working Committee comprised of two members from the Provincial Government's Native Career Development Branch and two members from AMNSIS. This Working Committee will make recommendations to their respective authorities-- Doug McArthur, Minister of Continuing Education and Jim Sinclair, President/AMNSIS.

OBJECTIVES:

1. to develop an implementation strategy for Native training and employment in Crown Corporations;
2. to coordinate training and employment plans with other AMNSIS and/or government plans.

PROVINCIAL METIS SOCIETY HOUSING ASSOCIATION

Programs offered by the Provincial Metis Society Housing Association are briefly described and outlined below:

EMERGENCY REPAIR PROGRAM (E.R.P.):

This program provides emergency repairs to homes which require specific action to ensure health and safety assistance is provided on a short-term basis, usually pending replacement housing facilities.

It is available to those applicants whose incomes are not sufficient to finance their own renovations.

RESIDENTIAL REHABILITATION PROGRAM (R.R.A.P.):

This program is offered to people wishing to make essential repairs to their homes, which they must own and occupy. You must have an adjusted family income of \$12,000 per year in order to qualify for a loan to begin the repairs to your home.

RURAL AND NATIVE HOUSING PROGRAM (R.N.H.):

This program provides dwelling units available to towns, villages, hamlets, and rural municipalities of 2,500 people or less.

Requirements of the applicant are that you must be residing with a spouse with or without dependents or a single parent with one or more dependents. You must have a satisfactory credit rating and a gross family income not exceeding \$15,000 per annum to qualify for a mortgage, which is subsidized.
