

Hi John -

Sorry we missed you when we were in St. Louis - but as we understand it - you are a busy fella these days.

Needless to say - I was very impressed with your achievement - and our sincere congratulations on becoming a Senator.

You must feel very fulfilled with what you have accomplished - and I'm sure there is much more to be done.

Am looking forward to a time when we can get together & have a good chat.

Dear John,

**B**ecause you've reached a special goal, this brings congratulations And wishes that the years ahead fulfill your expectations!

Congrats!!  
Ronald Lenge
